

NOWAVE

2023 EQUIPMENT CATALOG

EQUIPMENT

2023 CATALOG

From new and vintage microphones to high end digital and analogue mixing equipment, our unique offerings at Nowave Studio are second to none. As well as audio services and studio rental we offer recording equipment hire.

INCLUSIVE WITH FULL STUDIO HIRE

Take your pick. When hiring the Full Studio you can take your pick from an extensive selection of audio and music equipment used to record at the studio.

GEAR HIRE

Need recording equipment hire? If you need any recording equipment hire, Nowave Studio offers those services as well. We offer individual item rental on new and vintage music and recording equipment. Rates per day inc gst.

BY REQUEST

Can't see something you want to hire? If you can't see an item on our current Equipment List that you may want to hire for your recording session at Nowave Studio, send us a message, we can see what we can do to help you find what you are looking for.

EQUIPMENT

IN HOUSE

MIXING CONSOLE

24 Channel Analog console - API factory modified Soundworkshop 34C originally from New York custom built for David Bowie in 1979. 32 Ins and Outs Available, 24 console channels direct to Pro tools (tape) and 24 direct returns for mixing. 6 Auxiliary sends 2 stereo and 2 mono. Full size Patch Bay.

API Transformers on the master outs. All capacitors replaced in 2021 as well as all IEC's replaced for high end Burr Brown operational amplifiers. Meticulously modified and restored with the help of Master technicians Greg Cameron and Rodney Harris. The Monitoring System is custom made by Harris Audio featuring Large passive speakers and hand wired amplifier.
